# THE VAULT SPA

## HISTORY

The most secure room in Eichardt's Private Hotel equals the perfect place for a hidden sanctuary, reminiscent of the rich heritage of Queenstown's gold rush era, the old-world style and inviting atmosphere sets the scene for your personal restoration journey to commence.

Originally a woolshed, Eichardt's was erected in 1862 and quickly became a first-class establishment due the discovery of gold in the region, catering to the first wave of luxury tourism arriving into Queenstown. Nestled in the heritage wing of the hotel, the Old Gold Vault, dating from 1887, is now up to date, comprising a generous private treatment room offering unique, restorative therapies.
